VERDICT "GUILTY," SENTENCE DEFERRED, (By Telegraph.)

The Court House was crowded, and there was great excitement. The trial has occupied twelve days. The judge told the jury that he con-surred an the verdict, and, considering the two weeks 'trial, would recommend them to get extra pay.

Great doubt is expressed as to the coliny of the person arrested as Nansahib with the real Simon Pure.

Mr. Bannerman has presented two prosts against the return of Mr. J. Lore tacdongal for South Renfrew.

Wholesale arrests are being made in Louisians by the Federal troops, and a per-lect reign of terror exists. A plea of insunity will be offered in de-fence of Kuliman, charged with the attempton assessing the Prince Bismarck.
